

COVIDSafe Public Event Attestation

To be completed for Low Risk Tier 2 Public Events

This change has seen the introduction of a new Low Risk Tier 2 threshold under the Public Event Framework, allowing these Tier 2 events to take place without public health approval, subject to the completion of this Public Health Attestation Form.

Event organisers can only use the attestation process where the Tier 2 event has been deemed 'low risk' based on the following criteria:

For **outdoor events and indoor (seated) events** an event will be designated a Low Risk Tier 2 Event if it meets the following two criteria:

1. The event has fewer than 5,000 participants/spectators; and
2. Attendance at the event must not exceed 75 per cent capacity limit of the venue.

Indoor (unseated) events must meet the following additional criteria to be designated a Low Risk Tier 2 Event:

3. event does not feature behaviours that present a greater COVID risk (singing, dancing, chanting or consumption of alcohol or drugs).
